

PRESIDENT'S MESSAGE

OFFICES

2018 was an exciting year for us! Our team has been working diligently to improve the services we offer and the ways you access them. Our venture into business banking has gone well and is growing! Our mobile app continues to be popular and we have added mobile remote deposit capture. We have improved your access to mortgage loans with our online mortgage application. While 2018 has been a great year, 2019 is shaping up to be even better!

We will be converting to a core processor that will provide you with the best, most secure banking features, such as contactless debit cards, improved online banking features, Zelle, greater business banking choices, and many other exciting features you will be hearing about. As always, we appreciate your loyalty to Eureka Savings Bank and look forward to serving you and our communities for generations to come!

John F. McCormick
